

Winter Camp Runway

Dec. 27, 28, 29th (Wednesday-Friday)

Jan. 2, 3, 4, 5th (Tuesday-Friday)

Come have fun sewing and make gifts or whatever strikes your fancy. We have lots of ideas or can help you make your ideas a reality. Get practice sewing, learn more skills & techniques to increase your own skills. Cost is \$35/day for those who bring their machines or \$40/day for those who need to rent a machine. Reserve your spot (561-999-9992) before they are filled - 6 max per day. We'll have Sew Much Fun!

Embroidery Club

Friday, Dec. 1st 10 am- noon

This month there were too many tempting projects to pick from **sew** we decided to offer two and let you pick. First, for those with only a 4" hoop we are making the always popular wine tote. With several cute holiday sayings like, Pure Sparkling Elf Magic, you'll want to make several for gifts.

The 2nd choice for those with 5"x 7" hoops is the adorable little elf shoes that get stacked with Oreo cookies for the legs. The bonus on this project is you can use the same pattern for St. Pat's Day and Halloween in different colors. Come make a wine tote that's sure to be special for the holidays. Bring your machine, hoop, festive threads and we will supply the pattern, stabilizer, fabric (or use your own).

Cost \$25 [Click here to RSVP](#) or call 561-999-9992

Group Sewing Classes

Are you getting pressed for time and still have sewing gift projects to finish? Don't understand the next step in the directions? Come to our group classes and get the help you need and have that present wrapped before the holiday party. Single group class is \$25 or \$80 for 4 group classes (must be used within 60 days).

Class times are:

Tuesday 10 am-noon & 12-2 pm
Thursday 1 pm-3 pm

Wednesday 6 pm-8 pm
Saturday 10 am-noon

Please call to reserve your spot. 561-999-9992

Private lessons also available for those extra tough projects. \$35/hour

CREATE UNIQUE HOLIDAY GIFTS

Created on the NEW Innov-is NS1750D, this festive clutch can be personalized with a glittering monogram and designer-style decorative stitches - all of which are built right into the machine. Visit the Brother Stitching Sewcial blog project details.
