\*Offer applies only to single-receipt qualifying purchases. \$3,000 minimum purchase required. Software and accessories are not included in the financing offer and must be purchased separately. Subject to credit approval. No interest will be charged on promo purchase and equal monthly payments are required equal to initial promo purchase amount divided equally by the number of months in promo period until promo is paid in full and only applies to the selected financing options shown. Minimum monthly payments required to pay off total balance of purchase. The equal monthly payment is equivalent to promo purchase price (excluding taxes and delivery) divided by number of months in the promotional period, rounded to the next highest whole dollar, and may be higher than the minimum payment that would be required if the purchase was a non-promotional purchase. Regular account terms apply to non-promotional purchases. For new accounts: Purchase APR is 29.99%. Minimum interest charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. If you make your payments by the due date each month, you should be able to pay off this purchase within the promo period if this balance is the only balance on your account during this promo period. If you have other balances on your account, this monthly payment will be added to the minimum payment applicable to those balances.
