

September 2018

National Sewing Month

It's the most wonderful time of the year!
Kids are back in school and we now have time to sew again.
Stop by the store in September and say,
"Happy National Sewing Month"
to receive a free tape measure or seam ripper.

JOIN US

Saturday, September 8th 3pm

*to see the new amazing Luminaire
demo, gift and special pricing for attendees,
door prizes, wine/cheese and more!
RSVP by [Clicking here](#) or call 561-999-9992*

Featuring Brilliant StitchVision Technology Now You Can See It Before You Sew It!

More on the Luminaire below

Embroidery Club Friday, August 31st 10am-12pm

Come give your old jeans a new life while learning how to embroider on the leg. Cover holes if you like or just embroider anywhere. It's in all the stores now but why pay for it when you can do it yourself! Just bring a pair of jeans, machine, hoop, thread and design (or use one of our designs) and we will have those jeans looking better than before.

Cost \$25/pp

We have several newbies joining us this month so RSVP now by [clicking here](#) or call the store 561-999-9992.

Adult and Teen n' Tween Group Classes Back to Regular Schedule

Yes it is time to get back in the groove of our regular routine and that means we are back to our normal schedule of group classes.

Adults

Tuesday 10am-12pm & 12pm-2pm

Wednesday 6pm-8pm

Thursday 1pm-3pm

Saturday 10am-12pm

Teen n' Tweens

Tuesday, Wednesday, Thursday, Friday 4pm-6pm
Saturday 1pm-3pm

Also, just a reminder to our teen n' tweens, we will be doing our annual fashion show at the American Sewing Guild (ASG) Annual Meeting in November.

This will be our 8th show modeling your projects to this group who appreciate all the hard work you put into the outfits. Let us know if you are interested in participating in the show this year, you will have a great time.

More on the Extraordinary Luminaire Below

- See stitches and designs projected on your fabric for a realistic preview.
- Adjust stitches directly on fabric or screen with the dual-purpose stylus.
- Project guidelines and grids to sew precise lines, angles, corners, and more.
