Make these cute free standing lace votive candle covers for Halloween. Many of our new students have requested learning about FSL and this is the purrr-fect project! Just bring your machine, hoop (4"x 4" for the small kitty), and black thread. We'll supply the stabilizer and design.

Also, for those with 5" x 7" hoops we have an ITH (in the hoop) bonus, one eyed monster zipper purse project, (if you prefer to do). It's great to stash some candy in for your very own special two eyed monster. Cost is \$30/person
