

April 2019

Spring into Sewing!

Just as Spring represents a new beginning, it's time to start sewing all the bright pretty fabrics and make new things for this season. No matter if it's a new dress or new pillows for your home, it will make you feel like a new person. We have great fabrics and everything you need to get the job done.

Sewing is always more fun when you have others around. Sew now through April we will give current students a **free group class** when your friend signs up for classes. As a bonus to your friend for joining us we will give them a free group class also!

It's a perfect win-win situation and so much more fun sewing.

Summer Camp Runway

Seems like we just finished summer camp but it's that time again! We will have 7 weeks starting June 3rd (we skip the July 4th week) each with a theme like the past years. Camp will be Monday through Friday 1pm -5pm and take up to 6 students ages 9 and up. Call the store for more details or stop by and pick up a brochure. We will also have it posted online soon.

It's a great life skill for everyone and what better way to learn it than in a fun supportive environment. Sign up starts April 1st.

Gold Coast Quilter's Guild Raffle

Come see this beautiful quilt displayed at the store for the next week. Gold Coast Quilter's Guild members made it for their annual fund-raising raffle, that funds their charitable activities. The colorful Jacobean flowers on the neutral background would make a beautiful addition to any home. Tickets are available at SMF for \$1 each or 6 tickets for \$5.

Spring Ribbon Sale 30% off

I remember in grade school celebrating May Day and the teacher had pretty colorful ribbons dangling down from a tall pole on the playground, where they tried to get us to weave in and out of each other around the May Pole (does it make me sound old? lol). Anyway, it's a fond memory and every year I think about the pretty ribbons flying in the spring air. So I thought April would be a good time to have a ribbon sale. Now's the time to stock up for all year. Just mention you saw this in the email (Thank you for reading) and we will gladly give you 30% off our ribbons for the entire month!
