

June 2019

## Embroidery Club pm

Friday, May 31st 10 am to 12

This month we are celebrating the beginning of summer with making an ocean motif mobile. We are going to be using mylar in back of our embroidery to give it a shimmery look. It's a fun technique and easy to learn. Designs can be done in 4" x4" hoop, but a bigger hoop makes the process faster. Bring your machine, hoop, ocean color threads and extra bobbins (the designs are two sided). We'll supply the designs, wash away stabilizer, and mylar. Cost is \$30 Please RSVP by [clicking here](#) or call 561-999-9992.

## Camp Runway

Sign-up is in full swing with only 1 week until school is out. Our first week, starting June 3rd, is Pajama Party since we know the kids will be sleeping in their first week off. Camp is Monday to Friday, 1pm to 5pm and open to ages 9 and up. Don't wait! Call today (561-999-9992) to secure your spot. It's sure to be lots of fun and learning.

June 3-7

Summer started and it's time to sleep in. We'll start with making pj's, bed side organizers, decorate your room with applique pillows, hot/cold packs to relieve stress and much more.

June 17-21

Jeans & T's

Go through your old clothes and let's make something new. Lots of fun things to make out of jeans, t-shirts and whatever else you can find.

July 8-12

It's Hip to Be Square  
Quilt Week

Learn the basics of taking scrap fabric and making it into blankets, clothes or accessories. Can't part with your favorite old t-shirts? Bring them in and we can make a great memory blanket.

June 10-14

NEW!

Machine Embroidery Week

For the first time, we are going to teach machine embroidery to campers. Bring your old t-shirts, pillow cases, head bands, whatever you want to embroider. Learn everything you need to know. Disney embroidery machines will be available for purchase at reduced price after camp.

June 24-28

Let's go to the beach in style!

Learn to make cover-ups, or a beach towel that is also a chair cover with pockets. Bring a beach blanket/towel and we'll make it into a Twister game! It's always Fun in the Sun with Sew Much Fun.

Join us for Camp Runway and have...

July 15-19

How about making a little money? Lemonade stands are too hot here in Florida! Sit inside and sew. Learn to make zipper bags, head bands, bows, sunglass cases, totes, and lots more. The possibilities are endless and it will give you money to buy what you want (also make cool gifts for friends and family).

## Adult Group Classes

With the start of camp we will not be having our Tuesday 12pm to 2pm or the Thursday 1pm to 3pm class for 6 weeks. We will continue our Tuesday and Saturday 10am to 12pm and our Wednesday 6pm to 8pm. For the next 6 weeks we will also add an additional Thursday 10am to 12pm class. If you have any questions please feel free to call 561-999-9992.

## Sewing Machine History

Like many of you, I receive sewing blog updates and recently received this one from So Sew Easy on the history of the sewing machine. There are many different theories and stories on who was first, but everyone agrees that Issac Singer was not the inventor. Singer was an excellent marketer, and some say he was the first person ever to spend a million dollars in advertising. This article is fairly detailed but able to be read in 15 minutes. I hope you enjoy it. :-)

Check out BES4 and come in for a copy at an unbeatable price!

An advertisement for BES4 Dream Edition embroidery software. On the left, a woman with long brown hair, wearing a teal sweater, holds a laptop. The laptop screen displays the software interface, which includes a word cloud design with names like 'Robin' and 'Swift'. On the right, a Brother embroidery machine is shown stitching a colorful design onto a piece of fabric. The machine's control panel and a small screen are visible. The background is a soft-focus living room with a sofa and pillows. The text 'BES4 Dream EDITION' is written in a large, elegant font at the top, followed by 'A True Innovation in Embroidery Design Software' and a link to learn more.
