

Camp Runway 2021

June 28-July 2 It's Beach Time

Tired of being inside? Ready for fun outside without a mask?? How about a new cover up, sun hat, beach bag or chair cover? Bring an old beach towel & make it come to life again.

July 12-July 16 Save our Planet

Make old clothes new again. Bring in those tired looking garments on the floor of your closet & turn them into something new. Let's take your old t-shirts and see how we can make them fun again.

July 19-July 23 Useful Stuff

Learn how to make scrunchies, zipper bags (great for BFF gifts), phone charger holders, cord wraps, microwave potholders, ear bud pouches, hand sanitizer holder, iPad case and lots more.

July 26-July 30 My Space

Fancy up your bedroom with desk & bedside organizers, or pretty fabric boxes.

Then if you get tired make a neck, reading/book pillow, or new pillowcase for your bed. Of course, you probably will need new PJ too.

Due to schools staying open to mid-June & re-opening early August, there will only be 4 weeks of camp this year.

Camp is Monday to Friday 1pm-5pm

Fees: \$200/wk for camp (includes machine rental)
\$175/week if use your own machine.

Students who own a machine should bring it so they become more comfortable with it.

SMF has tons of remnants to use, & you can bring fabric or purchase some from us.

Deposit: \$100/week Refund up to 30 days before camp

Class size: 4 per camp

Ages: 9 & up

Stop by the store or call to save your spot.

Sewing is a **life skill** you can use your entire life. Learning how to **sew** is a "hands-on" and "learn by doing" experience. Besides the skill it also teaches patience, improves concentration, focusing and self-confidence. Sewing is a rewarding experience and increases self-esteem through sharing accomplishments with friends and loved ones.
